

BRANCH MEETING PROGRAM
February 16, 2021

Speaker: Paul A. Bielamowicz, AIA, LEED AP, Principal/ Senior Project Manager, Page

Title: TFC Capitol Complex – Reflecting on Phase I

Bio:

Paul has been with Page since 2004, previously working in the Chicago office of Skidmore, Owings & Merrill. At SOM, Paul collaborated on world-class projects including a 1,125-ft tall mixed-use tower in Chicago, and expansions to both the Dallas Convention Center and the Adelaide Convention Center in South Australia.

At Page, Paul has served as the lead architect on several such projects, including two additions to the Austin Bergstrom International Airport, a surgery and critical care expansion to Scott & White's University Medical Center in Round Rock, and a semiconductor manufacturing expansion for a division of Boeing in Sylmar, CA.

Paul has served in volunteer positions at the local AIA Austin chapter since 2006 and was awarded the 2009 Texas Society of Architects (TxA) Young Professional Achievement Award. In 2014, Paul was nominated for the position of TxA President, a three-year commitment beginning with service in 2015.

In 2007, he helped organize a design competition for an undeveloped parkland site in a lower-income area of East Austin, which resulted in the City of Austin receiving a \$500,000 grant from Texas Parks and Wildlife to help transform the site into Gus Garcia Park. Paul and the other founders of the Gus Garcia Park competition team received a Certificate of Appreciation from the Austin City Council for their efforts benefiting the community.

Sponsor: Pape-Dawson was established in 1965 with the goal of providing quality services accompanied by a high level of integrity. These core values continue today as we remain uncompromised in our dedication to maintain integrity and competence, develop solutions in the best interest of our clients and the public, support and develop our employees, and positively contribute to the community.
