

BRANCH MEETING PROGRAM
March 23, 2021

Speaker: Mark Waggoner, Principal, Walter P Moore

Title: Q2 Stadium for the Austin FC MLS Club

Bio:

Mark is a Principal in the Austin, Texas office of Walter P Moore. His work focuses on long-span roofs and other complex structures, and has contributed to the design of more than a dozen long-span roofs for sports facilities including AT&T Stadium, Circuit of the Americas, and the under-construction UT basketball Moody Center.

Sponsor: Polaris Forensics provides engineering assessments for existing buildings and structures (foundation to roof) to determine the cause of damage to the building/structure or a component of the building and/or nonperformance of a component of a structure. Non building structures include but not limited to industrial structures, storage racks and docks.

Engineering experts at Polaris Forensics have more than 25 years of research, design, investigative experience including extensive testifying experience. Engineering experience includes different kinds of structures with practically all building materials.
